2. Only courses graded “C” or higher (not including C-) will be accepted for transfer.
3. Courses passed on a Credit/No Credit basis at Pasadena City College will count only as elective credit toward the bachelor’s degree requirements and will not meet any General Requirements or major or minor requirements at Scripps College.
4. No grades of transfer courses will be used in computing the cumulative grade point average at Scripps College.
5. Most courses at Pasadena City College numbered 1-99 and identified in the Pasadena City College Catalog as being transferable to the University of California (UC) without limitations *and* offered in academic disciplines at the undergraduate Claremont Colleges (Claremont McKenna, Harvey Mudd, Pitzer, Pomona and Scripps Colleges) will be accepted as transfer credit.

7. Applicability of transfer credit to meet requirements in the student's major will normally be limited to introductory courses and will normally be considered only as prerequisite to the major. Scripps academic department faculty *may* accept transfer upper level courses toward the major *if* an introductory course in the discipline is prerequisite and was previously passed. At least one half of major courses must be completed at Scripps College.
